### Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

### Establishing a culturally safe environment

At Avondale Primary School we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

## CHILD SAFETY AND WELLBEING POLICY

We think about how every student can have a positive experience in a safe environment. We have developed the following strategies to promote cultural safety in our school community:

- flying the Aboriginal and Torres Strait Islander flags in the school grounds
- celebrating the local Aboriginal community through whole school events that recognise key events and anniversaries through information in the school newsletter
- implementing the Koorie Education Policy
- engaging with Koorie Engagement Support Officers
- using the Marrung Aboriginal Education Plan to guide the school's support for Aboriginal students and families
- expressing zero tolerance of racism, as noted in the school's statement of commitment to child safety

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging implementing our whole school approach to Respectful Relationships and School Wide Positive Behaviour, our student Code of Conduct and school values.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns on our Child Safety page and School Policies page on the school website.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

## FOUR CRITICAL ACTIONS FOR SCHOOLS

### Responding to Incidents, Disclosures and Suspicions of Child Abuse

## PROTECT

## YOU MUST TAKE ACTION

As a school staff member, you play a **critical role** in protecting children in your care.

- You must act by following the 4 critical actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief that a child has, or is at risk of being abused.
- You must act if you form a suspicion/reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).
- You must use the Responding to Suspected Child Abuse template to keep clear and comprehensive notes.

\* A reasonable belief is a deliberately/low threshold. This enables authorities to investigate and take action.

## 1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**.

- If a child is at immediate risk of harm you must ensure their safety by:
- separating alleged victims and others involved
  - administering first aid
  - calling 000 for urgent medical and/or police assistance to respond to immediate health or safety concerns
  - identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

## 2 REPORTING TO AUTHORITIES

As soon as immediate health and safety concerns are addressed you must report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

### WITHIN THE SCHOOL

#### VICTORIA POLICE

You must report all instances of suspected child abuse involving a school staff member, contractor or volunteer to Victoria Police.

You must also report internally to:

- GOVERNMENT SCHOOLS
  - School Principal and/or leadership team
  - Employee Conduct Branch
  - DET Security Services Unit
- CATHOLIC SCHOOLS
  - School Principal and/or leadership team
  - Diocesan education office
- INDEPENDENT SCHOOLS
  - School Principal and/or school chairperson

For suspected student sexual assault, please follow the Four Critical Actions: Student Sexual Offending.

### WITHIN THE FAMILY OR COMMUNITY

#### DHHS CHILD PROTECTION

You must report to DHHS Child Protection if a child is considered to be:

- in need of protection from child abuse
- at risk of being harmed (or has been harmed) and the harm has had, or is likely to have, a serious impact on the child's safety, stability or development.

#### VICTORIA POLICE

You must also report all instances of suspected sexual abuse (including grooming) to Victoria Police.

You must also report internally to:

#### GOVERNMENT SCHOOLS

- School Principal and/or leadership team
- DET Security Services Unit

You must also report to:

#### CATHOLIC SCHOOLS

- School Principal and/or leadership team
- Diocesan education office

#### INDEPENDENT SCHOOLS

- School Principal and/or chairperson

If you believe that a child is not subject to abuse, but you still hold significant concerns for their wellbeing you must still act.

This may include making a referral or seeking advice from Child FIRST (in circumstances where the family are open to receiving support), or to DHHS Child Protection or Victoria Police.

## 3 CONTACTING PARENTS/CARERS

Your Principal must consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- not to contact the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- to contact the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion).

## 4 PROVIDING ONGOING SUPPORT

Your school must provide support for children impacted by abuse. This should include the development of a Student Support Plan in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals.

You must follow the Four Critical Actions every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.
