## DIGITAL LEARNING- ACCEPTABLE USE AGREEMENT

### Information for families

#### Our commitment to the responsible use of digital technology

At Avondale Primary School we are committed to building a culture of respect and responsibility. We show this in the way we use technology and interact online. We teach our students about responsible digital behaviours, including how to recognise and respond to online dangers and threats. We support students to develop the digital skills they need to make a positive impact in the world. We are intentional and discerning about our integration of digital tools into the curriculum, providing rich, interactive and personalised experiences, while ensuring a balance with offline learning opportunities.

#### What we do

	<p><b>We set clear expectations</b></p> <ul style="list-style-type: none"> <li>• We have clear expectations about appropriate conduct using digital technologies.</li> <li>• Our <a href="#">Mobile Phone Policy</a> outlines our school's expectations relating to students using mobile phones during school hours.</li> <li>• We have clear and appropriate consequences when students breach these expectations, in line with our <a href="#">Student Wellbeing and Engagement Policy</a>.</li> </ul>
	<p><b>We teach appropriate conduct</b></p> <ul style="list-style-type: none"> <li>• We teach our students to be safe, intentional and responsible users of digital technologies, including age-appropriate instruction on important digital issues such as cybersafety and cyberbullying supported by the Cybersafety Project and other external services.</li> </ul>
	<p><b>We partner with families</b></p> <ul style="list-style-type: none"> <li>• We work with parents and carers to understand the digital technology-related issues they are facing at home. We support them with information and tools that help.</li> </ul>
	<p><b>We provide access to technology</b></p> <ul style="list-style-type: none"> <li>• We provide access to educational software for students to use, including Office 365</li> <li>• We create student email accounts which are non-identifiable.</li> </ul>
	<p><b>We supervise digital learning</b></p> <ul style="list-style-type: none"> <li>• We supervise students using digital technologies in the classroom, consistent with our duty of care.</li> <li>• We use clear protocols and procedures to protect students working in online spaces.</li> </ul>
	<p><b>We take appropriate steps to protect students</b></p> <ul style="list-style-type: none"> <li>• We provide a filtered internet service to block inappropriate content. Full protection from inappropriate content cannot be guaranteed, however, we have processes to report and act on inappropriate content.</li> <li>• We may access and monitor messages and files sent or saved on our network, if necessary and appropriate.</li> </ul>
	<p><b>We appropriately manage and respond to online incidents</b></p>

## DIGITAL LEARNING- ACCEPTABLE USE AGREEMENT

- We work to prevent, respond, and learn from issues or incidents relating to the use of digital technology, including cybersecurity incidents, cyberbullying and risks to child safety.
- We refer suspected illegal online acts to the police.

### How parents/carers/guardians can help

**Learning about technology and its impacts doesn't stop at the school gate. Below are our suggestions for ways you can support your children to responsibly use digital technology.**

	<p><b>Establish clear routines</b></p> <ul style="list-style-type: none"> <li>● <i>Talk to your child about expectations including when, where, and how digital devices can be used at home, ensuring these rules are age-appropriate and consistent. These can include:</i> <ul style="list-style-type: none"> <li>○ Requiring devices to be used in a common area, such as a living room or kitchen</li> <li>○ Setting up a specific area for charging devices overnight, away from bedrooms, to promote better sleep hygiene.</li> <li>○ Setting time limits, blocking access after a set time</li> </ul> </li> <li>● <i>Be present when your child is using digital devices, especially for younger children who may not yet understand online risks.</i></li> </ul>
	<p><b>Restrict inappropriate content</b></p> <ul style="list-style-type: none"> <li>● <i>Use built-in parental controls on devices and apps to help manage their device access and restrict inappropriate content, including apps and websites that are not suitable for their age group, blocking your child from accessing specific websites, apps or functions e.g. using a device's camera, or the ability to buy things, limit who can communicate with your child, and manage the apps they can use to communicate with others, allow you to monitor your child's use of connected devices, with reports on the sites they visit and the apps they use, how often and for how long</i></li> <li>● <i>Consider restricting the use of non-educational apps and apps with addictive game mechanics (e.g. rewards, badges, limited exit options).</i></li> <li>● <i>Check age ratings and consumer advice for apps and games on devices your children use via the App Store or Google Play. Visit the <a href="#">Australian Classification Board's online database</a> when reviewing movies and games.</i></li> </ul> <p><i>Note: From 10 December 2025, the Online Safety Amendment (Social Media Minimum Age) Act 2024 came into effect, preventing young people under 16 from being allowed to create or hold accounts on certain social media platforms. These include Facebook, Instagram, Snapchat, TikTok, X (formerly Twitter), Reddit, YouTube among other platforms.</i></p>
	<p><b>Talk about online safety</b></p> <ul style="list-style-type: none"> <li>● <i>Talk with your child about the importance of protecting personal information and recognising online scams.</i></li> <li>● <i>Encourage your child to talk to you or another trusted adult if they feel unsafe online.</i></li> </ul>

## DIGITAL LEARNING- ACCEPTABLE USE AGREEMENT

	<ul style="list-style-type: none"> <li>● Encourage younger children to always ask an adult before clicking on an 'Accept' or 'OK' button on a website, as sites may display messages or disclaimers that require a response.</li> <li>● Help minimise the risk of your child accidentally coming across websites not intended for children by setting up bookmarks in their browser for sites you would like them to use.</li> </ul>
	<p><b>Model responsible and balanced technology use</b></p> <ul style="list-style-type: none"> <li>● Encourage a healthy balance between screen time and offline activities, especially outdoor unstructured play and time with friends and family, face-to-face. *</li> <li>● Demonstrate responsible and balanced tech use in your own daily routine to set a good example for your child.</li> </ul>
	<p><b>Work with us</b></p> <ul style="list-style-type: none"> <li>● Let your child's teacher know about concerns you have regarding their technology use</li> <li>● Keep informed about what your child is learning at school, so you can help reinforce positive messages at home.</li> </ul>

**\*Australia's physical activity and sedentary behaviour guidelines include the following recommendations for children between 5-17 years-old regarding sedentary recreational screen time:**

- no more than 2 hours of sedentary recreational screen time per day
- avoiding screen time 1 hour before sleep
- keeping screens out of the bedroom.

### Avondale Primary School - Student Acceptable Use Agreement

#### What we expect

Below are our expectations of students at Avondale Primary School when using digital technologies.

#### Be safe

**At Avondale Primary School we protect personal information and keep safe online.**

We do this by:

- Not sharing our password or using someone else's username or password.
- Logging out of our devices when they are not in use.
- Restricting the personal information we post online, including images and videos.

#### Be respectful

**At Avondale Primary School, we are kind and show respect to others when using technology.**

We do this by:

- Acting with kindness and never bullying others online
- Thinking about how our words might make others feel before we say or write them
- Only taking photos or recordings of others when they are aware and have given us permission to do so
- Seeking permission before sharing others' information online.

#### Be responsible

**At Avondale Primary School, we are honest, handle technology with care and follow the school expectations.**

We do this by:

- Handling devices with care
- Not interfering with devices, school systems, or other students' work
- Not downloading or using inappropriate programs like games
- Not using technology to cheat or steal, and always acknowledging when we use information sourced from others
- Turning off and securely storing our mobile phone during school hours
- Ensuring a healthy balance between screen time and offline activities at school.

#### Ask for help

**At Avondale Primary School, we ask for help if we feel unsure or see something inappropriate.**

We do this by talking to a teacher or a trusted adult if:

- We feel uncomfortable or unsafe
- We see others participating in unsafe, inappropriate, or hurtful online behaviour
- We notice any damage to school technologies
- We need help understanding about a digital tool or how it can be used.

#### Support for students:

The e-safety commissioner's [eSafety kids](#) page has helpful information to help you stay safe online.
