

Avondale Primary School Philosophy

The philosophy of Avondale Primary School is based upon the premise that every student can attain high levels of academic achievement and be a responsible community member.

We aspire for students:

To have an enthusiasm for learning

To develop a broad and strong base of knowledge and skills

To think and act with competence, objectivity and creativity

Through their experience in living in a learning community, show respect and sensitivity to others

Show a capacity to lead, to share and cooperate with others

To accept responsibility and discipline

To find reward in participating and doing one's best

Dear Parents,

PRINCIPAL'S REPORT

Thursday March 15, 2018

Council election

Congratulations to Carla Soul, Andrew Barker and Joe Scarfo on their election to Council. As there were two parent vacancies at the end of the initial nomination period, the nomination period is extended till 4pm Friday 16 March. *Note: Two additional nominations were received Wednesday 15 March.* The AGM and March Council meeting will be held on Tuesday 27 March.

Raising resilient children

Building resilience is a challenge for parents and educators. In former times the word referred to manufactured goods and institutions; it meant strong or rigid, that definition is now expanded to include being able to adapt to new situations, such as a tree swaying in the wind.

The challenge for parents and teachers is to assist children work out when and how to be resilient. This is not a quick process; it requires discussions where, options, decisions and consequences are examined. To assist you in this matter, I recommend reading the following online article: <https://www.theguardian.com/commentisfree/2018/mar/07/how-do-you-raise-resilient-kids-accept-them-how-they-are>.

School security

The pedestrian gates are closed between 9am and 3pm while students attend school. The only pedestrian entrance open during school hours is the Clarendon Street gate immediately in front of the main entrance. The staff car park gates remain open during school hours; the car park is strictly out of bounds for students on all occasions.

After school hours, the pedestrian gates are open to allow community access to the school's play equipment, basketball court and oval. I am pleased to report that the Avondale Heights Netball Club utilizes the basketball court on most weekday afternoons.

Garden Improvements – by Nick Boffa

The Avondale PS gardeners have been busy preparing the garden for planting our upcoming crop. The gardeners set up a new compost tumbler and began the process by exploring suitable ingredients for composting. Gardeners also performed their weekly watering duties and the essential task of pruning back remaining plants such as the rosemary. In the coming weeks, students will turn the garden and add nutrients to give our next crop a great start at planting time!

Sausage Sizzle – a big hit.

Students were excited about yesterday's sausage sizzle. One child, who had been waiting for a week, exclaimed as she held and smelt her sausage 'At last!' I wish to acknowledge the assistance of parents on the day and Ms Heywood for organising this event. We raised \$830 from this barbeque and coupled with the \$459 raised from the Junior School Council's 'Out of Uniform Day' last year, we have raised \$1,289

for the Royal Children's Hospital Good Friday appeal. Thank you and well done everyone.

Crossing Supervisor Award

Every two years, *School Crossings Victoria* holds an awards night to honour the dedication and hard work of school crossing supervisors. School communities can nominate the supervisor they feel is worthy of being recognised. Nick Bance is the crossing supervisor of the Clarendon Street crossing. I have attached a nomination form if you are interested. Nominations close on May 25, 2018.
