### Statement of Commitment to Child Safety

*Avondale Primary School is a child safe organisation which welcomes all children, young people and their families.*

*We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.*

*Avondale Primary school's approach to creating and maintaining a child safe school environment is guided by our school philosophy and values. At Avondale Primary School our vision is 'to create a community that strives for excellence through high quality learning, engagement and wellbeing for all.'*

*We have no tolerance for child abuse and take proactive steps to identify and manage any risk of harm to students in our school environments.*

*We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.*

*When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly. Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex, queer and asexual (LGBTIQA+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.*

*Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.*

*We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.*

## PHOTOGRAPHING, FILMING AND RECORDING POLICY

### POLICY

There are many occasions during the school year where Avondale Primary School staff photograph, film or record students participating in school activities or events, for example, classroom activities, sporting events, concerts, in school events, excursions and camps.

We do this for many reasons, including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sporting events, communicate with our parents/carers and school community in newsletters. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Avondale Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

### Consent

The Photographing, Filming and Recording Students Consent Form is provided by Avondale Primary School at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can do this by contacting the school office on 9318 1755 or emailing [avondale.ps@education.vic.gov.au](mailto:avondale.ps@education.vic.gov.au). If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

### Image use within the physical school environment

Avondale Primary School may photograph, film or record students to use within the physical school environment, including:

- for display in school classrooms, for example, in displays of student work and on notice boards to celebrate achievement

A Photographing, Filming and Recording Students Consent Form will be given to parents/carers on enrolment for the standard uses described above. Consent, if given, applies until it is withdrawn or changed. If a parent/carer would like to withdraw or change their consent at any point in time, they must notify the school.
