News in Prep Land

In Drama, the Preps are doing many activities to help them be confident.

The preps are having lots of fun in sport playing games, doing skipping and learning new skills.

In Italian the Preps are learning about numbers and words.

The World of 1/2

This term, the grade 1s and 2s have been learning many things.

They have been learning about sea creatures in theme, a variety of things for English and are focusing on addition in maths. They are having lots of fun in maths. They are participating in some fun maths games.

Some of the classes do reading groups.

The upcoming theme of 'Dinosaurs' awaits and they are excited.

Overall, the ½'s are learning a lot and are having fun at the same time.

We look forward to a fun filled term 3.

The image shows the entrance to Avondale Primary School. A blue and yellow sign with the school's name is mounted on a structure above the entrance. The background features a clear blue sky and green trees.

AVONDALE PRIMARY SCHOOL

News from Middle School, 3/4's

This term, the grade 3/4s have been learning many different subjects in interesting, fun ways. In literacy, the different classes have been learning skills to improve their reading to achieve good results. In maths, students have started learning fractions preparing for grade 5/6. Maths is not always the most enjoyable subject for students but when learning maths, 3/4s has been playing educational maths games. In integrated studies (theme), they have been learning about the water cycle and students are able to choose the way they learn and do activities.

In writing, the 3/4s have been learning about persuasive texts, explanation reports, and their structure. 3/4B wrote a persuasive text about 'What animal would you be?' 3/4D has also learnt about the C.O.R.E qualities of being a leader to prepare for grade 5, 6 and high school.

This term, the 3/4s have had a great time and overall, a time of their life and also a great memory. We hope they will learn more and have lots more fun and wonderful learning experiences next term.

The Land of 5/6

In 5/6, students have been learning about WW1, WW2 and the Holocaust. Along with that, we are learning about fractions, decimals and how to add them.

In Interschool Sport, the students have played many games against many schools. In terms 1 and 2, they have played together throughout a number of sports; these include soccer, European Handball, Tennis, T-Ball, Netball and Football. Since the students only play for two terms, no games will be played for the rest of the year.

On Thursday, June 6th, the students attended an excursion to the Shrine of Remembrance as way of consolidating their understanding about WW1 and WW2.

Finally, the 5/6 students have also been learning about general energy. They have made models and researched information about a certain energy.

Brain Teasers

What is a cows
favourite hair style?

A: A cow lick

Knock Knock
Who's there?
Catch
Catch Who?
Bless You

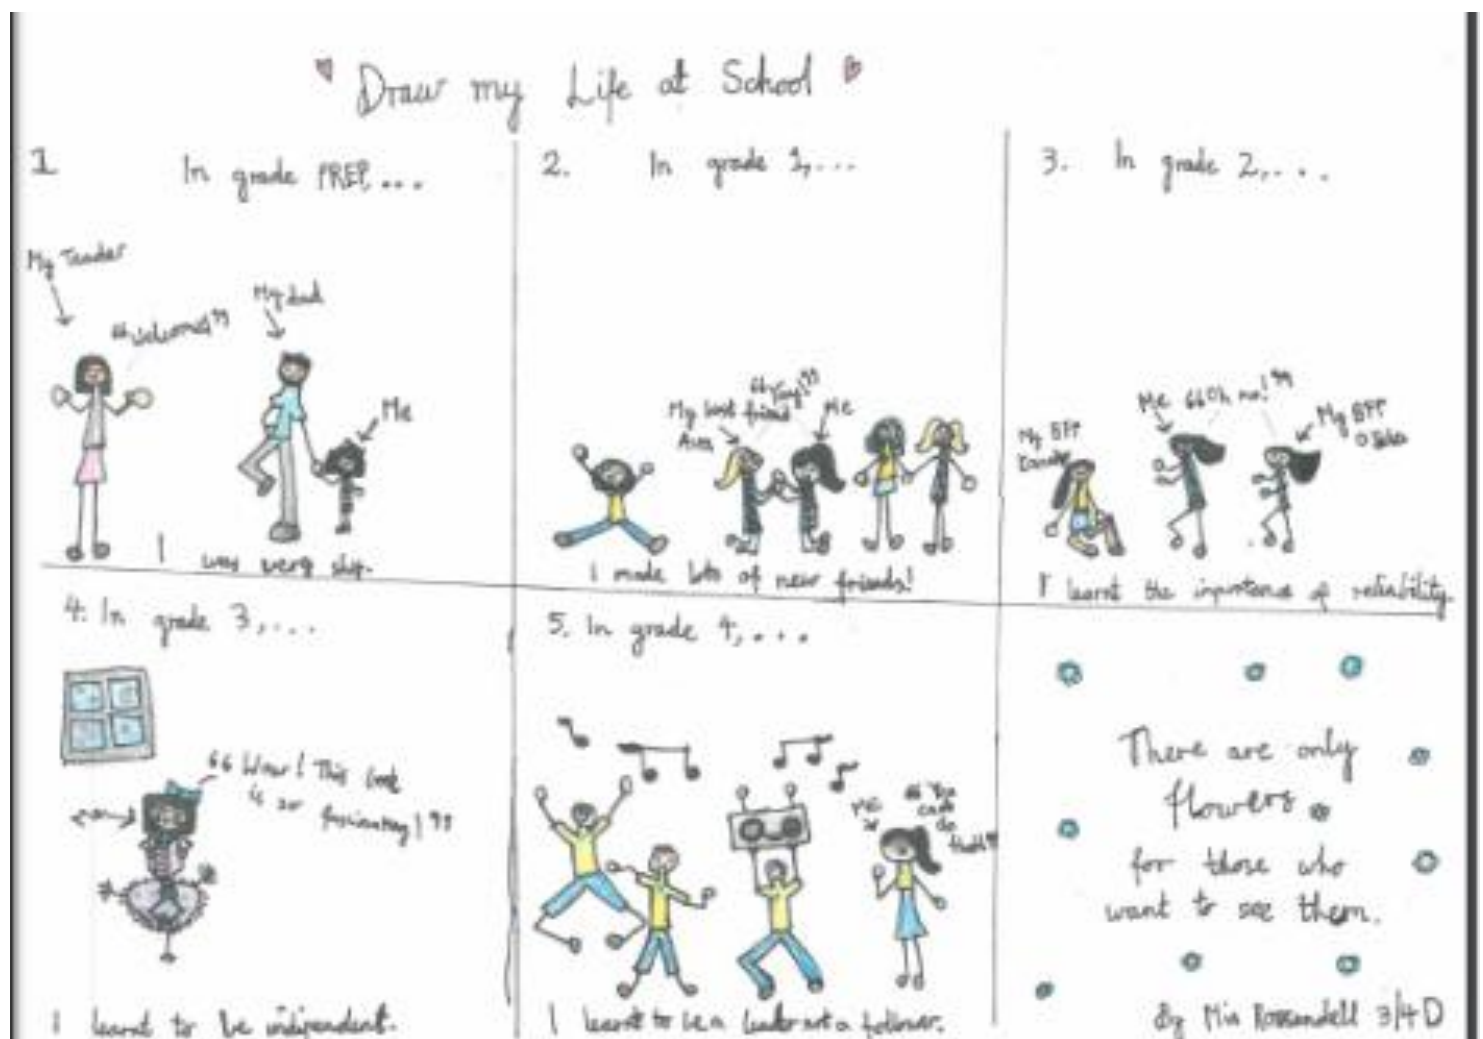

Why was the squirrel
late for school?

A: Traffic was nuts.
